In Re:

Case No: 13-21046-C-13C

NOTICE OF FILED
 CLAIMS

Debtor(s)

In accordance with Local Bankruptcy Rule 3007-1(d)(2), David P. Cusick, Chapter 13 Trustee, has compiled a list of filed claims in this case.

(1) Prior to the expiration of the deadline to object to proofs of claims applicable in chapter 13 cases, set in Subpart(d)(3) below, the Trustee shall pay a claim as specified in the confirmed chapter 13 plan unless the Trustee is served with an objection to such claim that is set for hearing within sixty (60) days of its service. Until the objection is adjudicated or settled, the Trustee shall cease paying dividends on account of the claim. If the objection is overruled, at the request of the claimant or the Trustee, the Court may make provision for payment of any dividends not paid while the objection was pending.

(2) The Notice of Filed Claims shall be filed and served by the Trustee upon the debtor and the debtor's attorney, if any, no later than the longer of 250 days after the order for relief or 180 days after plan confirmation.

(3) Objections to claims shall be filed and served no later than sixty (60) days after service of the Notice of Filed Claims. The debtor shall set a hearing on any objection pursuant to LBR 3007-1(b)(1) or (b)(2) on the earliest available court date.

(4) Nothing herein shall prevent the debtor, the Trustee, or any other party-in-interest from objecting to a proof of claim after the expiration of the deadline for objections specified in the subparagraph (d)(3) above. However, any objection filed after the expiration of that deadline shall not, if sustained, result in any order that the claimant refund amounts paid on account of its claim.

(5) If the Notice of Filed Claims includes allowed claims that are not provided for in the chapter 13 plan, or that will prevent the chapter 13 plan from being completed timely, the debtor shall file a motion to modify the chapter 13 plan, along with any valuation and lien avoidance motions not previously filed, in order to reconcile the chapter 13 plan and the filed claims with the requirements of the Bankruptcy Code. These motions shall be filed and served no later than ninety (90) days after service by the Trustee of the Notice of Filed Claims and set for hearing by the debtor on the earliest available Court date.

(6) Nothing herein shall prevent the debtor, the Trustee, or the holder of an allowed unsecured claim from requesting plan modifications at other times.

(7) If the Court enters an order valuing a creditor's collateral and the creditor has filed or later files a proof of a secured claim in an amount greater than the value established for the collateral, the allowed secured claim shall be the value of the collateral determined by the Court. It is unnecessary for the Trustee or the debtor to file a claim objection in addition to the motion valuing the collateral. If the creditor has filed or later files a proof of a secured claim in an amount less than the value established for the collateral, the allowed secured claim shall be the amount claimed by the creditor.

(8) If the Court enters an order avoiding the judicial lien or nonpossessory, nonpurchase money security interest of a creditor and the creditor has filed or later files proof of a secured claim that identifies as security only the avoided lien or security interest, the claim shall be allowed as a general unsecured claim. It is unnecessary for the Trustee or the debtor to file a claim objection in addition to the lien avoidance motion.

REVIEW THE COURT RECORDS. The Chapter 13 Trustee makes no warranty as to information herein. The information may be incorrect or incomplete.
